For conducting Practical classes, the students are divided into two small groups

Group I: Enrolment No. BTN1932002 to BTN1932021

Group II: Enrolment No. BTN1932022 to BTN1932048

Note:

1. Two faculties assigned on a particular day would coordinate between them and decide which group of students would be allowed to come for practical. Accordingly, the concerned faculty would give prior intimation to the respective group of students. However, if the involved faculties think that they can carry practical separately for both the groups parallelly, in such situations both the groups may be allowed to come for practical on a single day.
2. Students have to submit the vaccination certificate on 20th September to Mr Dimpul Chutia for attending the offline practical classes. They have to bring their own hand sanitizer and face mask.
