As directed by the Controller of Examinations, Cotton University, all the students of PG and UG needs to submit one Home Assignment per paper which would be considered for evaluation as a substitute for Midterm/Sessional Examination of the present even semesters. This is applicable to all those students too who were declared unsuccessful in exams conducted during May-June, 2019 (List available in the departmental home page notification area). The assignment with maximum page limit of 10-12 A4 pages, 11 font size, 1.15 line spacing, 2.5cm all side margin should be submitted to the concerned teacher (as shown below) through mail **on or before 31st May, 2020**. The concerned teacher will assign the topics for each of the papers and also specify the exact format of the assignment **by 22nd May, 2020** to all concerned students. For project work of UG 6th and PG 4th semester, the progress report already submitted would be considered as a substitute for Midterm/Sessional examination.
